COLLECTION**

You can throw up to 3 bags of leaves into the wet waste bin. For heavy and big bags you should call the toll-free number 800 530 980. Bags will be removed within 7 days.

SERVICES DURING PUBLIC HOLYDAYS

for 25/12/2020, the collection will take place on 26/12/2020

for 01/01/2021, the collection will take place on 02/01/2021

for 01/05/2021, the collection will take place on 03/05/2021

HOW TO USE THIS CALENDAR?

For each month, the pick-up days for the different types of waste are colour coded to allow you to pick the right days over the next months.

Put the bin or bag outside your door (on the public street) the night before the pick-up day, from 8:00 p.m. Bins will be emptied in the morning.

CONTACT US, WE ARE ALWAYS HAPPY TO HELP.

Contact us for information, tips on sorting waste, reports and complaints, or to book the bulky waste collection service (free of charge)

MUNICIPAL WASTE COLLECTION CENTRE OF TRINITÀ D'AGULTU E VIGNOLA

WHAT IS IT?

The municipal waste collection centre is an equipped site where you can deliver bulky waste items and other materials which cannot be placed in the ordinary waste bins.

Delivery of the waste is free and all residents of Trinità D'Agultu can use the centre.

WHERE TO FIND IT

INDUSTRIAL AREA -

LOCALITÀ LA CIACCHEDDA

- TRINITÀ D'AGULTU E VIGNOLA

Open from Monday to Saturday
8:00 a.m. – 12:00 noon (WINTER)
8:00 a.m. – 12:00 noon
(SUMMER: 2:00 p.m. – 5:00 p.m. FROM
10 JUNE TO 30 SEPTEMBER)

TYPES OF WASTE ACCEPTED BY THE CENTRE

IRON, PLASTIC, GLASS, TINS AND CANS

SORTING WASTE

- is a legal obligation
- allows us to keep down the costs of the waste collection service
- helps the environment with a small effort

BULKY WASTE COLLECTION SERVICE

If you need to get rid of large waste items such as metal bed bases, mattresses, sofas, furniture, etc. Call us and we will collect them from your home on Thursday free of charge.

BULKY WASTE ITEMS

Metal bed bases, mattresses, glass and aluminium doors and windows, miscellaneous metallic materials, shelves, wood, plastics and other materials, chairs, sofas, armchairs, miscellaneous furniture, light fittings, empty paint cans, etc. All large WEEE (waste electrical and electronic equipment) such as washing machines, refrigerators, air conditioners, freezers, etc.
